WESTBOUND BREA CANYON OFF-RAMP TO CLOSE FOR 5 WEEKS

DIAMOND BAR—The westbound Pomona Freeway (SR 60) Brea Canyon off-ramp will close for roughly five weeks beginning Sunday, January 29, 2006.

Motorists will be detoured to southbound Route 57 to Pathfinder Road to Brea Canyon Road. Detour signs will be posted.

The closure is part of the \$78 million Orange Freeway (Route-57)/Route 60 High Occupancy Vehicle (HOV) Direct Connector project, which will link the HOV lanes on both Route 57 and Route 60 in the cities of Diamond Bar and Industry. CC Meyers of Sacramento is the contractor. Estimated completion date is summer 2006.
